Registration Open For June Primary

The registration of voters for the Presidential Primary election, June 5, is now in progress and will continue through April 12, 1956. The closing date for registration of voters is always the fifty-fourth day prior to the day of any particular election. Registration for residents of Torrance is handled at the Torrance City Hall, and information may be obtained by calling the City Hall, FA. 8-5310. Registration information for county residents may be obtained by calling the office of

the Registrar of Voters, MU. 9211. According to information received from the Registrar of Voters, there are six classes of persons who should register or re-register for the election. They are: 1. Those who have changed their addresses since they last registered. 2. Those who have changed their names since they last registered. 3. Those who desire to change their political affiliation.

4. Those whose registrations were canceled because they did not vote at either the Direct Primary or General Election in 1954, and who have not re-registered since said cancellation. 5. Those who have become of age, and have not registered. 6. New residents of Los Angeles County, who will have the required qualifications by the date of the election. These qualifications are: a. One year's residence in the State. b. Ninety days' residence in the County. c. Twenty-one years of age.

Civil Defense Needs Ground Observers

Ground observers are still needed by local civil defense forces, George Howell, assistant director of Civil Defense in Torrance, stated this week. Those interested are asked to contact him at Torrance City Hall, FA. 8-5310 or Jack C. Badour, 22627 S. Kathryn avenue, FR. 5-9885. A ground observer post will open today at the Hermosa Biltmore. Individuals will be trained first and then assigned to a post.

Philip Brysian, a sophomore, took first place honors in the American Legion speech contest February 8, at the civic

auditorium. Bob Carpenter took second place, and Milton Eddy placed third.

All of the boys spoke on "The Importance of the Constitution to American Liberty." Judges for this contest were Rosemary De Camp Shidler, Mayor Albert Isen, and Reid Bundy.

The next speech contest is the Lions club contest March 10 which offers the possibility of winning a \$1500 scholarship in the district finals. The talks will be on "Youth Problems of Tomorrow." Already a dozen or so Saxons have signed up for this event.

Things Done and Things to Do Many of the Saxons have pitched in and painted curbs these last few Saturdays, a PTA sponsored activity. Saxons painted house numbers on the curbs to raise money for various senior activities.

Among those seen painting these curbs were Ikuko Kato, Pat Campbell, Berta Allen, Jean Taylor, Mitzi Trimiew, Tom Okada, Pat Webb, Jo Ann Hiramoto and many more.

The Scholarship Society got into the act once more when they sponsored a Heart Fund drive at North high a couple of weeks ago. They collected \$55.11 in a room to room canvass. Many thanks to the students who contributed so willingly to this cause.

In the sports department: North high opened its first track season officially last Tuesday in a meet with San Gabriel high. Coach Morgan boasts 110 tracksters.

North high also opened their baseball season officially last Monday as they played Redondo high on our field. There were thirty boys out for baseball which does not include the basketball players that will be out after the close of the basketball season.

Snoopin' Around Mel Saucier seems pretty far gone on Don Desmond from El Camino. I also hear Lella Santor has her eyes fixed on someone. Sue Mims and Tommy Holmes are still going together. Jo McNamara still has her guy, and Brenda Thomson seems to be eyeing a certain Bob Walker. Remember—Boys go out for athletics, but girls go out for athletes.

If any of you have anything you want printed in this column please contact me by phone or in room 44, sixth period.

NTCIA Will Hear Flood Channel Talk

The general monthly meeting of the North Torrance Civic Improvement association will be held this evening, March 1, at 8 p.m., at McMaster Hall, 3642 W. 174th street.

A report will be given by Edward Nobbe, vice-president of NTCIA, who attended a special meeting with George Stevens, City Manager, County Supervisors Kenneth Hahn and Burton W. Chace and Colonel H. E. Hedger, Chief Engineer of the flood control district, regarding the Dominguez Channel flood control project.

This project is a source of concern to residents of North Torrance as it has presented a serious flood threat in the past, said L. H. Holcomb.

Plans are under way for the coming "Cotton and Jeans" Dance to be held St. Patrick's day, March 17, at 9 p.m., at Higgins Brick Patio, 2217 W. 174th st. A buffet lunch is to be included with admission. Tickets may be obtained from Mrs. Bonnie Nobbe, NTCIA ways and means chairman, FR. 2-0823.

Fly Kites Safely

1. Fly kites in an open field, away from electric power lines and other overhead obstructions.
2. Be sure string is perfectly dry.
3. Never use wire, tinsel or metallic string.
4. If the kite catches in a power line, let go immediately.
